

Sales & Marketing Opportunity

Are you looking for a full time Sales Position where the product you sell helps others and 90% of the population could benefit? A position where you get a chance to interact face to face with potential patients, offer them hope and see them get better without surgeries or drugs? A family oriented company that you truly feel a part of and see your impact? A team of like minded individuals to work with? This may be the job for you.

The Sales & Marketing position drives new patients in the door through internal and external events which include: health screenings, website response/internet, patient referrals, patient reactivations, doctor/attorney referrals, patient appreciation days, patient stories, luncheon events, dinner functions, and more.

Success in this position is measured based on the clinic achieving monthly new patient goals and offering outstanding customer service that sets us apart from other healthcare offices.

The successful candidate will demonstrate and have experience in:

- Excellent sales and marketing skills
- Internal/external event planning and management.
- Outstanding customer service skills
- The ability to internalizing the noble purpose of the company and being able to express that through interactions with others
- The ability to develop relationships/network with current patients and the community to find other people with health concerns that need our help
- Team oriented attitude

**We are dedicated to a noble cause!
